

INDIANA AND MICHIGAN STATE HAPPENINGS

ENGINEERS BEGIN
ANNUAL MEETING

Sessions Will Continue For
Three Days—Many Fea-
tures on Program.

News-Times Special Service:
KOKOMO, Ind., June 22.—The
twelfth annual convention of the In-
diana State Association of Stationary
Engineers opened here today. It
will be concluded Friday afternoon
with a baseball game between the
engineers and the exhibitors.

Eliza Stone, chairman of the local
convention committee, called the
meeting to order. After prayer by
the Rev. W. B. Freeland, pastor of
Grace church, an address of wel-
come was made by Warren R. Voor-
his. The response was by F. W.
Taven, secretary of the National
Association of Stationary Engineers.
Then came talks by W. H. Arnett,
secretary of the Kokomo Chamber

of Commerce; E. G. Heeger, state
deputy, and Albert Franke, state
president.

After the addresses the opening
of the exhibit in the Chamber of
Commerce building took place. In
the afternoon a business session was
held. While it was under way the
wives of the delegates and exhibitors
were taken on a sightseeing tour of
the city. A reception for all the
convention visitors was on the pro-
gram for this evening.

The events for tomorrow include
a business session, a visit to a num-
ber of Kokomo's factories, and an
automobile ride. In the evening
there will be a banquet at the
Women's Department club. Officers
will be elected and installed and next
year's meeting place selected at a
session Friday morning.

COMMITTS SUICIDE.

News-Times Special Service:
INDIANAPOLIS, Ind., June 22.—
Isaac Davenport, 32 years old, of
Richmond, Va., secretary of the
Pan-American Insurance Co., shot
and killed himself in his apartment
here. No motive for the suicide is
known.

UNEXTINGUISHED PIPE
CAUSES GENERAL FIRE.

News-Times Special Service:
MONTICELLO, Ind., June 22.—
A pipe partly extinguished,
which he left in a pocket of his
coat, started a fire which almost
suffocated Neal Johnson, when
he was asleep. Johnson awoke at
midnight and found his room full
of smoke. Unable to get down
stairs because of the smoke, and
almost overcome, he jumped from
a second story window. He
suffered a broken rib in the fall.
Furniture in two rooms was dam-
aged.

GIVEN HEAVY FINES

News-Times Special Service:
INDIANAPOLIS, Ind., June 22.—
Judge Samuel Alschuler of Chicago,
who is occupying temporarily the
bench in federal court here, imposed
severe penalties on two violators of
the pure food laws. Charles Lamp
and August Behnky of Gary, who
admitted they sold colored oleomar-
gine without a government license,
were fined \$1,000 and costs each.
Behnky also was sentenced to six
months in the Marion county jail.

FATHER WANTS HIS SON
TO BE DECLARED DEAD

Relatives Have Not Seen Missing
Boy Since 1909 and Father
Petitions Court.

News-Times Special Service:
PONTIAC, Mich., June 22.—The
probate court has been asked to de-
clare dead Nathan Townsend, who
disappeared from Oxford township
seven years ago and has not been
heard from since, and to appoint an
administrator to take charge of his
estate. Harvey Townsend, aged
father of Nathan, filed the petition
in probate court.

The son was a widower with no
children and was last seen by re-
latives in January, 1909. Since he left,
his mother died, leaving him an in-
terest in her estate, amounting to
\$1,095, which is in the hands of the
county treasurer awaiting a claim-
ant. If the probate court declares
the son to be dead this sum will be
divided among the remaining heirs.
Besides the father there are two
sisters, Mrs. Seraphina Spencer of
Oxford, and Mrs. Elnera A. Pillen
of Davison, and a brother, Olin A.
Townsend of Oxford.

CASH GIFTS COME
IN TO COMPANY E

Elkhart Firms Respond to
the Suggestion of Adj.
Bridges—One Recruit.

News-Times Special Service:
ELKHART, June 22.—Of six ap-
plicants who underwent a medical
examination Wednesday afternoon,
George W. Snyder of Chicago, was
accepted. He is a former resident
and a former member of Co. E.
Lieut. Turnock said he had a num-
ber of prospective applicants.

Of the six applicants of Co. E's
original roster, five cannot be lo-
cated. One, a private, residing in
Rockford, Ill., has been notified that
he must either obey the summons
within 48 hours or stand chances
of being court-martialed.

The suggestion of Adj. Bridges
that gifts of cash would be most
acceptable has already borne fruit.
The company has received a check
from the Sidway Mercantile Co. for
\$25, a check from B. D. House-
worth for \$5, and another from
Fred A. Reed for \$5. The Chicago
candy kitchen sent a big pile of
candy and invited the boys to come
to the kitchen for a treat following
the drill this afternoon. The in-
vitation was accepted. There were
many gifts of cigars and edibles
during the day.

It was estimated that more than
500 people have visited the armory
up until a late hour this afternoon.
"The public is responding to our
invitation to visit us and I am glad
to see it," said Capt. Deal. "We
are only too glad to have them see
what kind of a military organiza-
tion we have here in Elkhart."

Dan Cupid laid the plans long
ago; Hymen sanctioned a July date,
but grim visaged Mars butted in—
and the marriage of William H.
Dunnuck, one of the cooks of Co.
E, Indiana national guard, and Miss
Mabelle Merrell, took place Wed-
nesday afternoon, a month or so be-
fore the company had intended to
solemnly unite their destinies.

Rev. Dr. John C. White conducted
the service at 2:30 o'clock in the
parsonage of Trinity Methodist
church.

Dunnuck, in his uniform, had
received a special permit from
Capt. Deal to leave "camp" at the
armory. The couple then proceeded
to the clerk's office in the superior
court quarters and obtained the
license, then with military directness
moved to the parsonage, just a
block south.

They were accompanied by John
O. Parcell, also a uniformed mem-
ber of Co. E, and Miss Geneva
Alexander, as witnesses of the mar-
riage service.

Mr. Dunnuck is a son of Mr. and
Mrs. L. W. Dunnuck of 609 South
Second st., and Miss Merrell is a
daughter of Mr. and Mrs. E. L.
Merrell, also of this city.

Louis M. Smalley of 326 W. Jeffers-
on st., who had been a resident
of this city for 44 years, and was
widely known through his activities
as a general contractor and his con-
nection with military and Masonic
organizations, is dead. He was a
past commander of Shilo-Field post,
G. A. R., and was a member of
Kane lodge, Concord chapter, Elk-
hart council and Elkhart command-
ery of the order of Masons. He
became a Mason in Lisbonier in
1867.

Mr. Smalley suffered a severe at-
tack of the grip last winter, from
which he did not rally, continuing
in feeble health until five weeks
ago last Saturday, when he was
compelled to retire to his bed, to
which he was confined until his
death. A general breakdown of his
vital forces is given as the cause
of his death.

The funeral will be held at the
home at 4 o'clock Friday. Rev. A.
U. Ogilvie of the Congregational
church, officiating. The service will
be under the direction of Kane
lodge, with the commandery acting
as escort. Burial will be in Grace
Lawn cemetery.

News-Times Special Service:
MARQUETTE, June 22.—Peter
Anderson of Atlantic, and Richard
Northey of Superior mine, were
drowned in lake Eva, a small body
of water about 20 miles south of
Houghton. Anderson was a single
man, Northey married.

From the meager details obtain-
able over the Copper Range rail-
road's phone to Toivola, the nearest
point to the lake, it appears that
Anderson, Northey and a man
named Morris were in camp at the
end of the lake most distant from
the road to Toivola. They were ex-
pecting friends up on the night train
and they started to row across the
lake to the road to pick up the new-
comers. The boat capsized in some
way. Morris was saved.

Anderson's body was recovered
yesterday noon by a searching party
headed by Under Sheriff MacDonald,
who had been notified by the Copper
Range dispatcher yesterday morning
that he went up on an early train.
Dragging for Northey's body was
still in progress yesterday afternoon.

REFORMED CHURCH IS
GIVEN COLLEGE AS GIFT

Educational Institution Valued at
\$110,000 Is Turned Over
by Baptists.

News-Times Special Service:
HOLLAND, Mich., June 22.—The
general synod of the Reformed
church in America unanimously
accepted as a gift Central college at
Pella, Iowa, a \$110,000 institution,
from the northern Baptist con-
vention. The synod also voted to raise
an endowment of \$150,000 for the
college, citizens of Pella having con-
tributed \$50,000 to keep the school
in operation. The Baptists presented
this college to the Reformed church
because the Baptist denomination
has a college fifty miles from Pella
and wishes to concentrate its efforts
and resources on this one institution.

"FRAT" MEETING OPENS

High School Organization Has Three
Days' Session.

News-Times Special Service:
LA FAYETTE, Ind., June 22.—The
14th annual national convention of
the Phi Delta Kappa fraternity con-
vened here at the Fowler hotel. The
first session opened at 8 o'clock and
Mayor Thomas Bauer delivered the
address of welcome.

The convention will last three
days and there are about 500 visitors
in the city. The social functions
will be a feature of the gathering.
A reception dance was given last
night, which was attended by 200
couples.

The election of officers will take
place Friday and a keen campaign
is being waged by the different
candidates. The choice of the next
convention city is also causing a bit
of fight.

TO HAVE POLICEWOMAN

Noblesville City Council to Give
Special Service For Girls.

News-Times Special Service:
NOBLESVILLE, Ind., June 22.—
The Noblesville city council, at its
meeting last night, provided for the
employment of a woman police-woman
to take charge of cases of girls and
young children. The plan is to have
her do her work privately as far as
possible. An effort will be made to
keep the appointment secret, as the
council believes a policewoman can
work to better advantage in this
way. This action was taken largely
because several girls have been ar-
rested and sent to various state in-
stitutions for a variety of offenses
during the last few months.

QUARREL AT BEDSIDE
RESULTS IN FATALITY

News-Times Special Service:
VALPARAISO, Ind., June 22.—
James W. Johnson of Columbia City
and Henry Albright of Marion en-
gaged in a quarrel today at the bed-
side of Johnson's mother, Mrs.
James Johnson, who was critically
ill of pneumonia at her home here.
Johnson drew a revolver but was
prevented by Johnson's wife from
shooting. When quiet had been re-
stored it was found that Johnson's
mother had died, the shock being
responsible. Johnson is in jail.

GRADUATE IS HELD
IN MEXICAN PRISON

Former Student at College of
Mines is Charged With
Political Treason.

News-Times Special Service:
MARQUETTE, June 22.—Word
has been received by Mrs. Frances
H. Scott, secretary of the Michigan
College of Mines that an H. A. Dunn,
believed to be Harrison Adams Dunn,
who graduated from the college in
1909, has been thrown into prison
in Mexico City. In the report re-
ceived, Dunn is said to be a civil en-
gineer from California, but this is
explained from the fact that Harri-
son A. Dunn, when last heard from
was employed in Los Angeles as
civil engineer for public highways.

The report says:
"During the recent gust of anti-
American feeling, H. A. Dunn, a
civil engineer from California and
engineer in charge of tramways in
the Mexican capital, was arrested
and thrown into prison. The street
railways belonged to the Pearson
Engineering company but have now
been confiscated by the Mexican au-
thorities."

"Dunn was taken into custody by
the police for alleged political rea-
sons. After a few days in the Belem
prison he was transferred to the
'bull pen' where 500 persons were
lodged in commo under unspeak-
able sanitary conditions and many
ill with prison diseases. Conditions

there are so unbearably horrible
that few prisoners held there ever
come to trial, as death is unusually
swift and certain from the condi-
tions of the 'pen.'"

"Dunn managed to get word to a
fellow engineer, H. L. Francis, who
took up the matter with Mr. Rod-
gers, the American diplomatic rep-
resentative in Mexico City, but
Rodgers for some mysterious rea-
son, appeared to be unable to do any
thing for Dunn. Mr. Francis next
telephoned to several prominent
Mexicans who were believed to be
influential with Carranza. They
promised to use their efforts to have
the American released."

"It later developed that the tele-
phone conversations had been tap-
ped by the police and all the Mexi-
cans concerned were immediately ar-
rested and placed incommunicado.
Owing to the conduct of certain
Mexicans, Francis became convinced
that he was about to be imprisoned
and fled, leaving all his property be-
hind, including his personal bag-
gage."

"The fate of Dunn was left in the
hands of Mr. Rodgers, but it is feared
that he will die before any as-
sistance can be given him."

"While a student at the Michigan
College of Mines, Dunn became well
known in Houghton."
